

## Indiana Mustangs

The Indiana Mustangs are a travel baseball and softball organization, affiliated with the Roundtripper Baseball Academy in Westfield that benefits young players who are seeking higher competition and better instruction in the sports of baseball and softball.

As reflected in the organization's mission statement, we believe that children who participate in organized baseball and softball develop the values of good sportsmanship, honesty, loyalty, courage, reverence, and grow to be finer citizens. This, in turn, instills in them character and life skills to ensure they can compete in a highly competitive society and make a difference in the world.

We have a very talented group of boys and girls from throughout the greater Indianapolis area who are dedicated to working hard in order to reach their maximum potential while holding themselves to the highest standards of sportsmanship. Our players promise to represent Indiana, its citizens, and its businesses well. In addition to playing hard on the field, they will always conduct themselves in a true sportsman-like manner.

With that said, some of our players and families need assistance to achieve their goals and why the Indiana Mustangs Foundation typically provides between \$10,000 - \$15,000 in financial assistance to players in need. We come to you in hopes that you will aid our players in need by providing sponsorship dollars or merchandise which will enable us to provide financial assistance.

We will be most appreciative of any donation you can make to our organization. For any donation of \$1000 or greater, we will add your company name and logo to our Indiana Mustangs main home page. Our organization is a recognized 501(c)3 organization, and we will provide a donation receipt for any sponsorship amount. Checks can be made payable to

Indiana Mustangs  
PO Box 18  
Westfield, IN 46074

Your consideration and sponsorship is greatly appreciated. Thank you from all of the members of the Indiana Mustangs!

Sincerely,

Greg Stocker  
Indiana Mustangs Board President
